MEMORANDUM FOR: All NIOs

You will recall that Dick Lehman announced at our morning meeting earlier this week that he had agreed that the NIOs will draft another edition of "Perspectives for Intelligence" by the first of October. Would you please send me your contributions by September 10th. The time period to be covered by the "Perspectives" is 1979-83,

Pls break out earlier one - I can't recall
that we made an independent contribution -
think we supported others - but not sure
